tasting notes

Colour: Bright lemon with a tinge of green.

Palate: This elegantly crafted wine has gracious balance and poise, with soft lingering acidity giving way to a sweet concentration of fruit. Some herbaceous austerity also adds to the interest.

Nose: Tropical flavours abound in this Sauvignon Blanc, displaying litchi, melon, mango and some notes of paprika and thyme

food suggestions

Lovely on its own at any time and very enjoyable with food. Match it with salads, fish or poultry dishes

in the vineyard

As the Estate's Sauvignon Blanc vineyards are not producing yet, this vintage has been made from bought in grapes.
